INSPIRATION

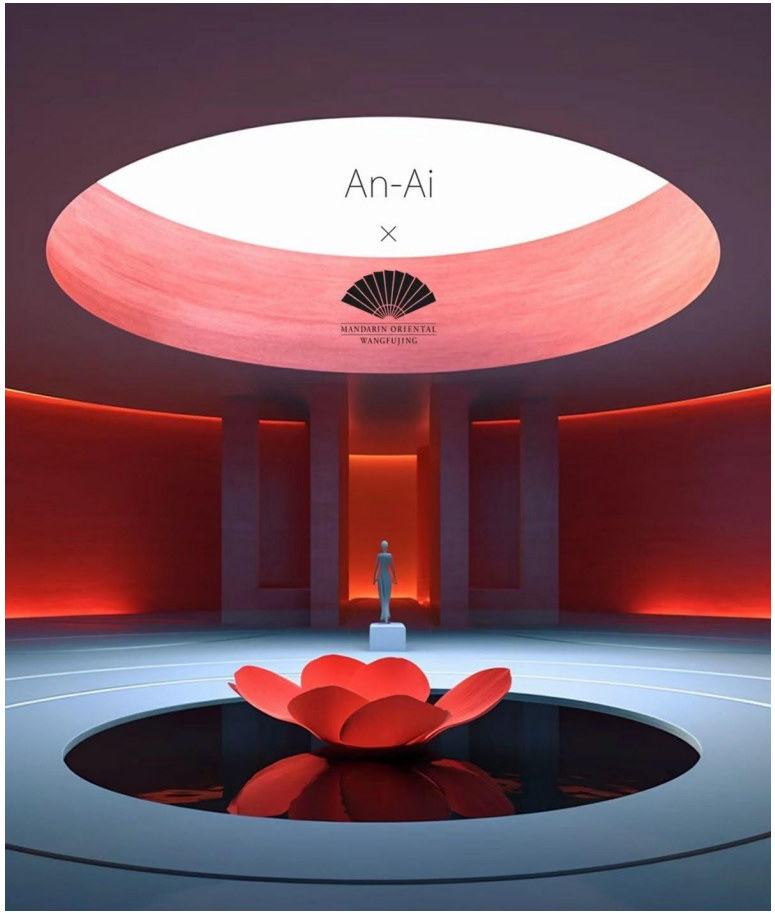

COLOR AND TEXTURE

Highlighting the raw clay texture patches gives a true essence of the raw materials and making the entire environment earthy.

Modern minimalism blending with main art culture of cray product giving it a modern take.
Positioning the craft products at a modern high value environment with more modern take.

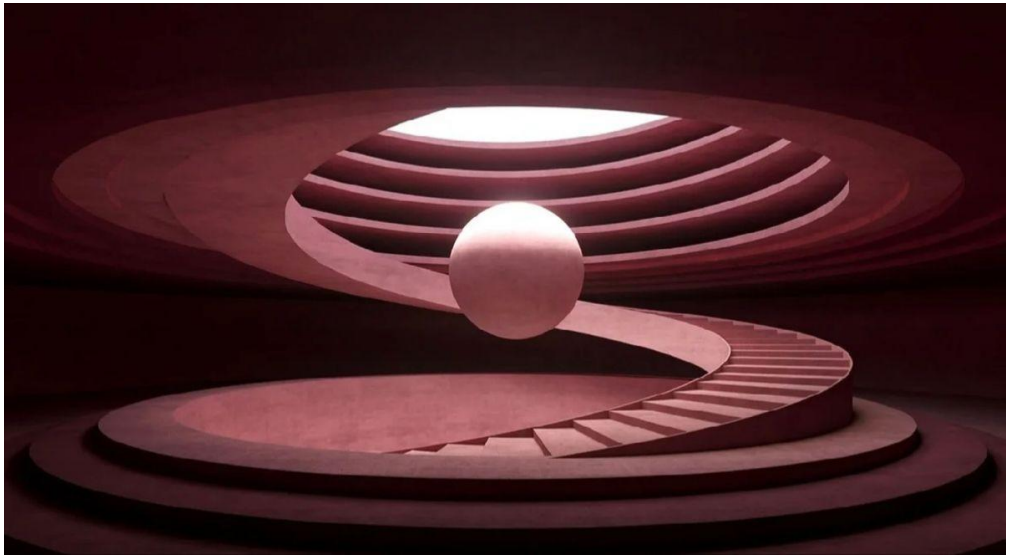

Inner walls
EXPOSED SKYLIGHT AND ENVIRONMENT

SKYLIGHTING INSPIRATION

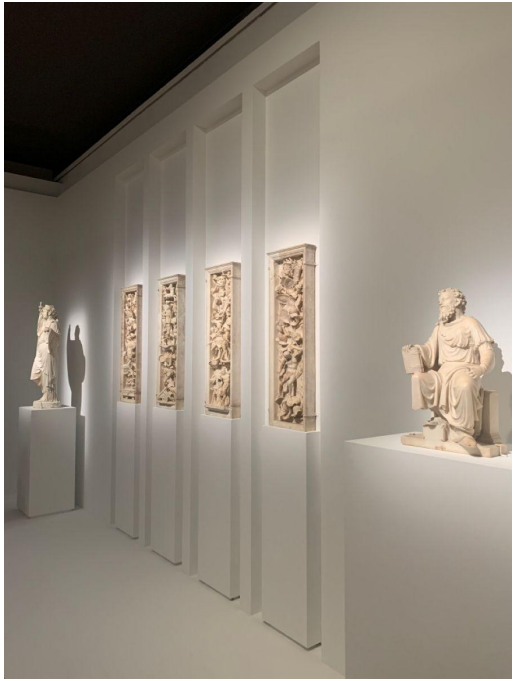

The exposed daylight environment provides more realism to the product gallery with a new viewing exp.
